# **Bloomsburg University**

**Welcome to Bloomsburg University of Pennsylvania**, an inclusive comprehensive public university that prepares students for personal and professional success in an increasingly complex global environment.

Bloomsburg University, founded in 1839 as the Bloomsburg Literary Institute, has a total undergraduate enrollment of over 9,600 students on a 366-acre campus. It is one of 14 public universities in the Pennsylvania State System of Higher Education.

As the largest comprehensive university in Northeastern and Northcentral Pennsylvania, BU offers 56 undergraduate majors, 57 undergraduate minors and 20 graduate programs, along with the experiences and technology to give students the best possible preparation for careers in their field.

A satellite location in Center City, Philadelphia, offers a master's in business administration (M.B.A.), as well as a bachelor's of applied science in technical leadership. Bloomsburg University also offers for-credit classes and degree completion programs at both the Dixon University Center and HACC, Central Pennsylvania's Community College, as well as the main campuses of Lehigh Carbon Community College, Luzerne County Community College and Northampton Community College.

BU is named among the top North American schools in the 2016 Sales Education Foundation's (SEF) listing of the best universities offering professional sales education. BU's digital forensics program has been designated a National Center of Academic Excellence in Cyber Defense Education, while nursing program has been rated first in the commonwealth and 60th in the nation by CollegeAtlas.org.

For the third time, BU has earned the title of Military Friendly School from Victory Media, publisher of GI Jobs magazine — the first as a Silver Level Award.

WELCOME TO BU

We are excited that you have chosen to attend the Pennsylvania High School Speech League State Finals Tournament on March 16-17 here at Bloomsburg University. We are proud to be the home of the Pennsylvania High School Speech League which provides high school students an opportunity to understand and appreciate all areas of speech. It is my hope that you have a successful competition and enjoy your stay on campus.

Dr. James K. Krause  
Interim Provost and Senior Vice President for Academic Affairs

---

Dear High School Students, Coaches and Judges –

As the new Executive Director of the Pennsylvania High School Speech League (PSHLL) it is my pleasure to welcome you to the PHSSL State Championship Tournament at Bloomsburg University. It is hard to believe that 29 years ago I competed in my first PHSSL State Tournament at Penn State University in Lincoln-Douglas Debate during my junior year at Bloomsburg Area High School. I also competed in forensics during my four years at Bloomsburg University, and now here I am as the Director of Forensics at Bloomsburg University and the Executive Director of PHSSL.

I want to congratulate each of you for your participation in this worthwhile academic co-curricular activity. I credit my experience in forensics for much of my academic and professional success. I know countless others who have advanced in their careers precisely because of the numerous skills learned from forensics competition, most notably the ability to think critically, to organize one's ideas, and to communicate effectively with others. You are among the best of the best, and I am proud to have you on campus. I wish you all the best in your rounds here at Bloomsburg University.

By the way, Bloomsburg University has an active and successful Forensics Team. Students earn one academic credit for each semester of competition on the forensics team. We compete in 3-4 tournaments per semester and have travelled to Montreal, Charleston, Baltimore, Ocean City, MD., North Carolina, Virginia, and other places on the East coast. BU competes in the Collegiate Forensics Association, and we have one of the oldest chapters of *Pi Kappa Delta*, the national forensics honor society. Check us out on the web! <http://bloomu.edu/forensics-speech>. Good luck this Weekend!

Dr. Harry C. "Neil" Strine IV  
Executive Director
